Egg Farmer runs for VFF Vice President

Egg Farmers of Australia are pleased that Danyel Cucinotta of LT's egg farm has nominated for the position of Victorian Farmers Federation Vice President.

LT's egg farm is well known for the production of white eggs and the diversification of their business through the opening, a decade ago, of Wyndham Cache, café and deli outlet.

We wish Danyel every success with her campaign as the first egg farmer to run for the Vice President position.
